The length of the porch [was] twenty cubits, and the breadth eleven cubits; and [he brought me] by the steps whereby they went up to it: and [there were] pillars by the posts, one on this side, and another on that side.

The length of the porch [was] twenty cubits, and the breadth eleven cubits; and [he brought me] by the steps whereby they went up to it: and [there were] pillars by the posts, one on this side, and another on that side.

The length of the porch [was] twenty cubits, and the breadth eleven cubits; and [he brought me] by the steps whereby they went up to it: and [there were] pillars by the posts, one on this side, and another on that side.

The length of the porch [was] twenty cubits, and the breadth eleven cubits; and [he brought me] by the steps whereby they went up to it: and [there were] pillars by the posts, one on this side, and another on that side.

The length of the porch [was] twenty cubits, and the breadth eleven cubits; and [he brought me] by the steps whereby they went up to it: and [there were] pillars by the posts, one on this side, and another on that side.

The length of the porch [was] twenty cubits, and the breadth eleven cubits; and [he brought me] by the steps whereby they went up to it: and [there were] pillars by the posts, one on this side, and another on that side.

26_EZE_40:49 The length of the porch [was] twenty cubits; and the breadth eleven cubits; and [he brought me] by the steps whereby they went up to it: and [there were] pillars by the posts, one on this side, and another on that side.

Afterward he brought me to the temple, and measured the posts, six cubits broad on the one side, and six cubits broad on the other side, [which was] the breadth of the tabernacle.

Afterward he brought me to the temple, and measured the posts, six cubits broad on the one side, and six cubits broad on the other side, [which was] the breadth of the tabernacle.

Afterward he brought me to the temple, and measured the posts, six cubits broad on the one side, and six cubits broad on the other side, [which was] the breadth of the tabernacle.

Afterward he brought me to the temple, and measured the posts, six cubits broad on the one side, and six cubits broad on the other side, [which was] the breadth of the tabernacle.

Afterward he brought me to the temple, and measured the posts, six cubits broad on the one side, and six cubits broad on the other side, [which was] the breadth of the tabernacle.

Afterward he brought me to the temple, and measured the posts, six cubits broad on the one side, and six cubits broad on the other side, [which was] the breadth of the tabernacle.

26_EZE_41:01 Afterward he brought me to the temple, and measured the posts, six cubits broad on the one side, and six cubits broad on the other side, [which was] the breadth of the tabernacle.

And the breadth of the door [was] ten cubits: and the sides of the door [were] five cubits on the one side, and five cubits on the other side: and he measured the length thereof, forty cubits: and the breadth, twenty cubits.

And the breadth of the door [was] ten cubits: and the sides of the door [were] five cubits on the one side, and five cubits on the other side: and he measured the length thereof, forty cubits: and the breadth, twenty cubits.

And the breadth of the door [was] ten cubits: and the sides of the door [were] five cubits on the one side, and five cubits on the other side: and he measured the length thereof, forty cubits: and the breadth, twenty cubits.

And the breadth of the door [was] ten cubits: and the sides of the door [were] five cubits on the one side, and five cubits on the other side: and he measured the length thereof, forty cubits: and the breadth, twenty cubits.

And the breadth of the door [was] ten cubits: and the sides of the door [were] five cubits on the one side, and five cubits on the other side: and he measured the length thereof, forty cubits: and the breadth, twenty cubits.

And the breadth of the door [was] ten cubits: and the sides of the door [were] five cubits on the one side, and five cubits on the other side: and he measured the length thereof, forty cubits: and the breadth, twenty cubits.

26_EZE_41:02 And the breadth of the door [was] ten cubits: and the sides of the door [were] five cubits on the one side, and five cubits on the other side: and he measured the length thereof, forty cubits: and the breadth, twenty cubits.

Then went he inward, and measured the post of the door, two cubits; and the door, six cubits; and the breadth of the door, seven cubits.

Then went he inward, and measured the post of the door, two cubits; and the door, six cubits; and the breadth of the door, seven cubits.

Then went he inward, and measured the post of the door, two cubits; and the door, six cubits; and the breadth of the door, seven cubits.

Then went he inward, and measured the post of the door, two cubits; and the door, six cubits; and the breadth of the door, seven cubits.

Then went he inward, and measured the post of the door, two cubits; and the door, six cubits; and the breadth of the door, seven cubits.

Then went he inward, and measured the post of the door, two cubits; and the door, six cubits; and the breadth of the door, seven cubits.

26_EZE_41:03 Then went he inward, and measured the post of the door, two cubits; and the door, six cubits; and the breadth of the door, seven cubits.

So he measured the length thereof, twenty cubits; and the breadth, twenty cubits, before the temple: and he said unto me, This [is] the most holy [place].

So he measured the length thereof, twenty cubits; and the breadth, twenty cubits, before the temple: and he said unto me, This [is] the most holy [place].

So he measured the length thereof, twenty cubits; and the breadth, twenty cubits, before the temple: and he said unto me, This [is] the most holy [place].

So he measured the length thereof, twenty cubits; and the breadth, twenty cubits, before the temple: and he said unto me, This [is] the most holy [place].

So he measured the length thereof, twenty cubits; and the breadth, twenty cubits, before the temple: and he said unto me, This [is] the most holy [place].

So he measured the length thereof, twenty cubits; and the breadth, twenty cubits, before the temple: and he said unto me, This [is] the most holy [place].

26_EZE_41:04 So he measured the length thereof, twenty cubits, and the breadth, twenty cubits, before the temple: and he said unto me, This [is] the most holy [place].

After he measured the wall of the house, six cubits; and the breadth of [every] side chamber, four cubits, round about the house on every side.

After he measured the wall of the house, six cubits; and the breadth of [every] side chamber, four cubits, round about the house on every side.

After he measured the wall of the house, six cubits; and the breadth of [every] side chamber, four cubits, round about the house on every side.

After he measured the wall of the house, six cubits; and the breadth of [every] side chamber, four cubits, round about the house on every side.

After he measured the wall of the house, six cubits; and the breadth of [every] side chamber, four cubits, round about the house on every side.

After he measured the wall of the house, six cubits; and the breadth of [every] side chamber, four cubits, round about the house on every side.

26_EZE_41:05 After he measured the wall of the house, six cubits, and the breadth of [every] side chamber, four cubits, round about the house on every side.

And [there was] an enlarging, and a winding about still upward to the side chambers: for the winding about of the house went still upward round about the house: therefore the breadth of the house [was still] upward, and so increased [from] the lowest [chamber] to the highest by the midst.

And [there was] an enlarging, and a winding about still upward to the side chambers: for the winding about of the house went still upward round about the house: therefore the breadth of the house [was still] upward, and so increased [from] the lowest [chamber] to the highest by the midst.

And [there was] an enlarging, and a winding about still upward to the side chambers: for the winding about of the house went still upward round about the house: therefore the breadth of the house [was still] upward, and so increased [from] the lowest [chamber] to the highest by the midst.

And [there was] an enlarging, and a winding about still upward to the side chambers: for the winding about of the house went still upward round about the house: therefore the breadth of the house [was still] upward, and so increased [from] the lowest [chamber] to the highest by the midst.

And [there was] an enlarging, and a winding about still upward to the side chambers: for the winding about of the house went still upward round about the house: therefore the breadth of the house [was still] upward, and so increased [from] the lowest [chamber] to the highest by the midst.

And [there was] an enlarging, and a winding about still upward to the side chambers: for the winding about of the house went still upward round about the house: therefore the breadth of the house [was still] upward, and so increased [from] the lowest [chamber] to the highest by the midst.

26_EZE_41:07 And [there was] an enlarging, and a winding about still upward to the side chambers: for the winding about of the house went still upward round about the house: therefore the breadth of the house [was still] upward, and so increased [from] the lowest [chamber] to the highest by the midst.

And the doors of the side chambers [were] toward [the place that was] left, one door toward the north, and another door toward the south: and the breadth of the place that was left [was] five cubits round about.

And the doors of the side chambers [were] toward [the place that was] left, one door toward the north, and another door toward the south: and the breadth of the place that was left [was] five cubits round about.

And the doors of the side chambers [were] toward [the place that was] left, one door toward the north, and another door toward the south: and the breadth of the place that was left [was] five cubits round about.

And the doors of the side chambers [were] toward [the place that was] left, one door toward the north, and another door toward the south: and the breadth of the place that was left [was] five cubits round about.

And the doors of the side chambers [were] toward [the place that was] left, one door toward the north, and another door toward the south: and the breadth of the place that was left [was] five cubits round about.

And the doors of the side chambers [were] toward [the place that was] left, one door toward the north, and another door toward the south: and the breadth of the place that was left [was] five cubits round about.

26_EZE_41:11 And the doors of the side chambers [were] toward [the place that was] left, one door toward the north, and another door toward the south: and the breadth of the place that was left [was] five cubits round about.

Also the breadth of the face of the house, and of the separate place toward the east, an hundred cubits.
