

Who ought to have been here before thee, and object, if they had ought against me.

Who ought to have been here before thee, and object, if they had ought against me.

Who ought to have been here before thee, and object, if they had ought against me.

Who ought to have been here before thee, and object, if they had ought against me.

Who ought to have been here before thee, and object, if they had ought against me.

Who ought to have been here before thee, and object, if they had ought against me.

44_ACT_24:19 Who ought to have been here before thee, and object, if they had ought against me.
