

But with an overrunning flood he will make an utter end of the place thereof, and darkness shall pursue his enemies.

But with an overrunning flood he will make an utter end of the place thereof, and darkness shall pursue his enemies.

But with an overrunning flood he will make an utter end of the place thereof, and darkness shall pursue his enemies.

But with an overrunning flood he will make an utter end of the place thereof, and darkness shall pursue his enemies.

But with an overrunning flood he will make an utter end of the place thereof, and darkness shall pursue his enemies.

But with an overrunning flood he will make an utter end of the place thereof, and darkness shall pursue his enemies.

34_NAH_01:08 But with an overrunning flood he will make an utter end of the place thereof, and darkness shall pursue his enemies.
