

In thee have they discovered their fathers' nakedness: in thee have they humbled her that was set apart for pollution.

In thee have they discovered their fathers' nakedness: in thee have they humbled her that was set apart for pollution.

In thee have they discovered their fathers' nakedness: in thee have they humbled her that was set apart for pollution.

In thee have they discovered their fathers' nakedness: in thee have they humbled her that was set apart for pollution.

In thee have they discovered their fathers' nakedness: in thee have they humbled her that was set apart for pollution.

In thee have they discovered their fathers' nakedness: in thee have they humbled her that was set apart for pollution.

26\_EZE\_22:10 In thee have they discovered their fathers' nakedness: in thee have they humbled her that was set apart for pollution.
